MEMORANDUM FOR: Acting Chief, Policy & Plans Group

STATINTL FROM :   
Acting Director of Security

SUBJECT : Executive Order 10450

1. Mr. Jack Blake, DDA, advised me on 19 October that the Director has signed the proposed letter to Mr. James T. Lynn, Director, OMB, relative to Executive Order 10450. I believe you have a copy of the letter to which I refer which basically indicates that we cannot abide by the amended 10450 and requests exemption. I believe and the DDA concurs that this will probably send the effort to revise 10450 back to the study table and hopefully we will be a part of any future revision in its initiation phase.

2. For now we must await a response from the Director, OMB.
